SUMMARY

Full stack web developer skilled at writing well designed and efficient code using current best practices in web development. Fast learner, team player and a hard worker who is proficient in an array of scripting languages and multimedia web tools.

TECHNICAL SKILLS

Languages: HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handlebars & ReactJS.

Applications: Visual Studio, Microsoft Office (Word, PowerPoint, Excel), Outlook, Git Bash, Heroku.

EXPERIENCE

Cavalry Logistics; Nashville, TN

Feb 2015- Aug 2018

Weekend Team Leader (Feb 2016-Apr 2018)

Team lead for weekend brokers and account executives. Responsible for managing all major accounts during weekend hours, delegating duties among team members, maintaining a positive and efficient work environment, and ensuring all customer freight move smoothly, while focusing on margin percentages and profitability.

Key Achievements:

- Founded the Cavalry Weekend Team and grew it into a team of over 15 members whose budget expanded from \$12K to \$70K, hitting records of \$200K during holidays.
- Assisted in creating a spot market team that grossed \$1.2 million in margin in 9 months.
- Awarded employee of the quarter (Fall 2017) for record breaking Labor Day weekend profit margins.

EDUCATION

Bootcamp Certificate: Rutgers University, Somerset, NJ

A 24-week intensive program focused on gaining technical programming skills in front and back end developing to become a full-stack developer.
